Q: There is bipartisan immigration reform legislation being debated in Washington. The bill would secure our borders, block employers from hiring undocumented immigrants, and make sure that undocumented immigrants already in the U.S. with no criminal record register for legal status. If a long list of requirements is met over more than a decade, it provides eligibility for a path to citizenship. Would you support or oppose this proposal?

Q: Now, I'm going to read you a statement. Please tell me whether you agree or disagree. My Senator should support this legislation because everyone agrees our immigration system is broken and this bill is tough, but fair. It would tighten border security, crack down on employers who hire undocumented immigrants and solve this problem once and for all.
