If you don't know enough about the person to answer, just say so. (**Randomize list**)

Thinking about where the candidates for president stand on the issues, how important are each of the following issues to you personally? (**Randomize**)

(For first one, and until respondent gets it, read issue and ask) Considering all the issues, is this one you consider to be critically important, among those that are important, or not among the important ones to you personally?

- | | Critically
Important
1 | Among
important
2 | Not among
important
3 |
|-----|---|-------------------------|-----------------------------|
| 19. | Social issues such as abortion and traditional marriage | | |
| 20 | education | | |
| 21 | jobs and the economy | | |
| 22 | immigration | | |
| 23 | taxes and government spending | | |
| 24 | foreign policy and national security | | |
| 25 | health care | | |

Now I'd like to read the same list of issues. Could you disagree with a Republican candidate for president on this issue and still considering voting for him or her? (**Randomize in same order as Qs 19-25 for respondent**)

- | | Yes, Could disagree
1 | No, Could NOT disagree
2 | Unsure
3 |
|-----|---|-----------------------------|-------------|
| 26. | Social issues such as abortion and traditional marriage | | |
| 27 | education | | |
| 28 | jobs and the economy | | |
| 29 | immigration | | |
| 30 | taxes and government spending | | |
| 31 | foreign policy and national security | | |
| 32 | health care | | |

Now I'd like to ask a few more questions on the topic of immigration...

33. Which comes closest to your own view about undocumented immigrants living in the U.S. (**rotate 1-3 top to bottom, bottom to top**)
- 1 They should be allowed to stay in the U.S. and, after meeting requirements like a background check and paying fines, they should eventually be allowed to apply for citizenship.
 - 2 They should be allowed to stay in the U.S. and, after meeting requirements like a background check and paying fines, they should eventually be allowed to stay in the U.S. legally, but not be eligible for citizenship.
 - 3 They should be required to leave the U.S.
 - 4 (Do not read) unsure

If punch 3 “required to leave US” in Q33, ask:

33A. If you knew it would cost taxpayers an estimated \$400 to \$600 billion dollars and take up to 20 years to deport 11 million undocumented immigrants would you still support taking this action?

- 1 Yes, Still support
- 2 No, would not support
- 3 Don't know

For each of the following positions, please tell me if you think this represents amnesty or does not represent amnesty. **(Do not randomize)**

34. An executive order that grants temporary legal status to an estimated four million illegal immigrants for the next three years and stops enforcement action against them.

- 1 Amnesty
- 2 Not amnesty
- 3 Don't Know/Unsure

35. A legislative proposal that would allow illegal immigrants a pathway to citizenship if they pay a fine, back taxes, pass a background check, learn English and take other required steps over a period of years to get right with the law.

- 1 Amnesty
- 2 Not amnesty
- 3 Don't Know/Unsure

36. A proposal that does *not* allow a pathway to citizenship, but would allow illegal immigrants a legal residency status if they pay a fine, back taxes, pass a background check, learn English and take other required steps over a period of years to get right with the law.

- 1 Amnesty
- 2 Not amnesty
- 3 Don't Know/Unsure

37. Any action that goes beyond securing the border or stronger enforcement of existing laws.

- 1 Amnesty
- 2 Not amnesty
- 3 Don't Know/Unsure

38. If a Republican presidential candidate supports strengthening border security, but also says it is unrealistic to deport 11 million undocumented immigrants and that fixing the immigration system legislatively is needed to deal with the current situation, do you think that is amnesty or is not amnesty?

- 1 Amnesty
- 2 Not amnesty
- 3 Don't Know/Unsure

39. I'd like to read you a comprehensive, multi-step approach to illegal immigration and have you tell me if you support or oppose this plan. **If (support/oppose):** Strongly or just somewhat?

Current U.S. border security would be strengthened.
Workplace employment verification would be brought online and made more accurate.
Illegal immigrants would be required to pay fines, back taxes, learn English and American civics, be financially self-supporting, and pass criminal background checks, and if they do that, they would be permitted to obtain temporary legal status.

- 1 Strongly support
- 2 Somewhat support
- 3 Somewhat oppose
- 4 Strongly oppose
- 5 Don't know/Unsure

Ask all

40. Whatever your opinion, would you be willing to support a candidate for President who supports this multi-step approach to legal status?

- 1 Yes
- 2 No

41. And if all the steps we just discussed were in place, would you support or oppose allowing the illegal immigrants who comply to eventually - after at least ten years - apply for U.S. citizenship? **If (support/oppose):** Strongly or just somewhat?

- 1 Strongly support
- 2 Somewhat support
- 3 Somewhat oppose
- 4 Strongly oppose
- 5 Don't know/Unsure

42. Whatever your opinion, would you be willing to support a candidate for President who supports this multi-step approach to eventual citizenship?

- 1 Yes
- 2 No

Thinking now about how the issue of immigration may play out in a general election, please tell me if you agree or disagree with the following statement:
