- 1 For the purpose of this report, the 'Jackson area' refers to Teton County, ID, and Teton County, WY. The 'Greater Jackson region' refers to both Teton counties in Idaho and Wyoming, as well as Sheridan, Park, Lincoln, and Big Horn counties in Wyoming; and Madison, Jefferson, and Fremont counties as well as the parts of Bingham county outside of Fort Hall Air Base in Idaho. All data come from 5-year samples of the American Community Survey from 2010 and 2015. Data for the Jackson area come from official U.S. Census Estimates available from the 5-year ACS through the U.S. Census FactFinder. Data for the 'Greater Jackson region' come from analysis of publicly available microdata. For one year of the multiyear sample, 2011, the statistical areas available for analysis were slightly different than the other years of data. For 2011, data for Sublette, Sweetwater, and Uinta counties in Wyoming are included, while data for Sheridan and Big Horn are excluded. Similarly, in Idaho, data from Lemhi, Custer, Clark, Butte, and Bonneville are included, while data from Big Horn is excluded.
- 2 These numbers come from the 5-Year ACS Microdata Sample from IPUMS and reflect the characteristics of the Greater Jackson region.
